Monday through Friday 7 AM to 8 PM; Saturday 8 to 5
ROUTE 6, FAIRHAVEN 992-0305

THE DAYS OF INDIAN SUMMER trickle down to the precious few as boat fanciers enjoy them to the fullest. On our cover: "Messing About", at Burr Brothers Boatyard in Marion. "Messing About" will strike an immediate chord in the mind of anyone who loves the water and its boats because of the famous line from Wind in the Willows by Kenneth Grahame. We quote, "Believe me, my young friend, there is nothing - absolutely nothing, half so much worth doing as simply messing about in boats".

SMALL CRAFT RIPPLES THE QUIET OF THE "MIRROR" THAT IS THE ANCHORAGE AT BURR BROTHERS BOATYARD.

DCJ PHOTOS

As creatures of the shore and the bay, we empathize completely and know the treasury of memory of scattered hours spent on and by the shore. Nothing, absolutely nothing, is more valuable than pleasurable experiences shared and savored.

Mattapoisett Selectmen's Meeting

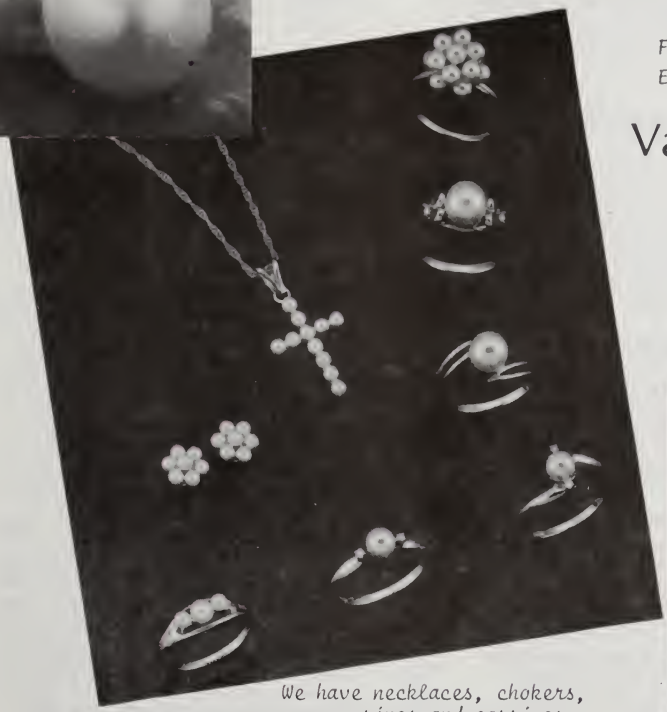
OCTOBER 20, 1987-by VIRGINIA ARRAL
SPECIAL TOWN MEETING - DECEMBER 1

Selectmen last Tuesday announced the Special Town Meeting will be held at 7:30 p.m. December 1st at Old Rochester Regional High School. The specific articles to be con-

TIMELESS BEAUTY

CULTURED PEARLS

Fashionable. But beyond fashion
... a classic jewel.



Fresh as today,
Exciting as tomorrow.

Valued always.

We also have
Fresh Water Pearls

We have necklaces, chokers,
rings and earrings ...

Pearls alone, or
Pearls with Lapis Lazuli, or Pearls with Jade

Always beautiful, pearls have never been more fashionable than they are this year ...
a classic gift, treasures from the sea.

MATTAPOISETT

NEW LISTING

One year old custom Cape built by local builder for his own use. 5 plus rooms, plus great expansion potential on second floor. One car garage, all on a beautiful country setting of 1 3/4 acre just 1 mile north of I-195. Offered at $199,900.

MATTAPOISETT

GREEK REVIVAL CIRCA 1841

Originally known as Ichabod Nye farm, this 8 room home has a park-like setting on 3/4 acre right in the heart of the Village. Features include living room, dining room, stunning great room (30 x 20) with fieldstone fireplace and warm wood finish, kitchen, laundry room with access to shed/workshop, 4 bedrooms and 2 baths. Wonderful family home, within walking distance to everything! Offered exclusively at $279,900.

FAIRHAVEN

This is a home that is truly a fair haven. In its park-like setting, this 10-room former farmhouse features a large kitchen, living room, dining room, family room, 4 bedrooms, an enormous barn/workshop perfect for hobbies or a professional office suite -- and more. There is also a heated, in-ground pool set in a private garden, and all of it only minutes from Rtes. 6 and 195. Offered at $359,000.

sidered will be announced at a later date, as Town Counsel is reviewing the legal wording and exact money requests are still being reviewed.

One of the articles to be considered at the Special Town Meeting will be the request of Town Clerk Lois K. Ennis to purchase a voting scanner. She explained to the Board the cost would be $8,500 to purchase the OPTECH III-P scanner.

In Memory of Virginia

God saw you getting tired,
A cure was not to be;
So He wrapped His arms around you
and whispered, "Come to Me."
A golden heart stopped beating,
hard working hands at rest.
God broke our hearts to prove to us
He only takes the best.

We will miss you, Virginia.

Your friends at
Marion Travel Service

She noted the scanner will have to go out to bid even though there is only one supplier that she knows of in the New England area. The state must approve the piece of equipment and this model is the only one approved, so far.

Selectmen agreed to place this request on the warrant, especially after Selectman William Hubbard said he traveled to Somerville with the Town Clerk and the clerk's assistant to view the operation of the scanner and he termed the demonstration "fantastic".

Mrs. Ennis explained if the town chooses to use the new scanner at the March 1988 Presidential Primary election, notice must be given to the Commonwealth's Secretary of State Election Board Office by November 9th. This notice is necessary, she said, because the state must purchase all paper products for the various voting methods in time for the election. She added that the state will supply Mattapoisett with

WHERE EXCELLENT SERVICE MEANS SATISFIED CUSTOMERS

QUESTION:

WHY SHOULD ATHLETES HAVE CHIROPRACTIC SPINAL MANIPULATION?

ANSWER: Because it can help their performance.

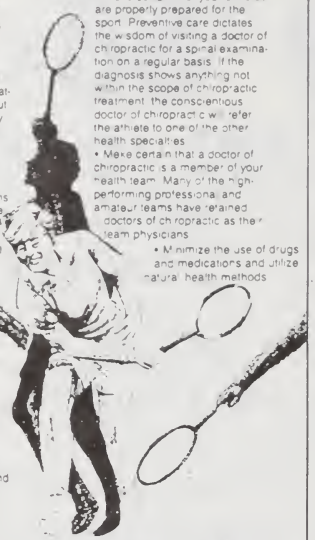
Many amateur and professional athletes are sidelined with injuries that could be avoided. Others sit out on the bench because their injury just doesn't seem to respond to ordinary treatment. Still others are playing but at less than their peak efficiency simply because their structural system is not in balance.

Progressive coaches and trainers are realizing that pain-killing drugs are not the answer. Drugs and medications merely cover up the symptom, deceiving the player into actions which could make the injury more serious.

Probably more than any other health profession, chiropractic's approach to health closely relates to the needs of the sports participant. Most sports involve body contact, leverage, fast starts and stops, and positioning that places an unusual strain on the back and structural system. Doctors of chiropractic consider the human as an integrated being, giving special attention to spinal mechanics and neurological, muscular and vascular relationships. Chiropractic is a natural health care method that stresses the importance of keeping all the systems of the body functioning efficiently, so the player enjoys peak performance, a minimum injury risk and fast recuperative powers.

Here's what you can do:

- Make certain that your athletes are properly prepared for the sport. Preventive care dictates the wisdom of visiting a doctor of chiropractic for a spinal examination on a regular basis. If the diagnosis shows anything not within the scope of chiropractic treatment, the conscientious doctor of chiropractic will refer the athlete to one of the other health specialties.
- Make certain that a doctor of chiropractic is a member of your health team. Many of the high-performing professional and amateur teams have retained doctors of chiropractic as their team physicians.
- Minimize the use of drugs and medications and utilize natural health methods.



Dr. Jean E. Peelor

Chiropractic Physician

34 Barstow St., Mattapoisett 758-3711

the paper ballots and envelopes. Mrs. Ennis further noted this scanner retains the integrity of a paper ballot enabling a manual handcount if it became necessary.

The Town Clerk said, "If, however, the town does not vote the necessary funds to purchase the scanner, we have 30 days after November 9th to notify the state of the negative vote. If the vote is favorable there is no additional notice required." She explained the vote scanner is in use in the states of New Hampshire, Vermont and Michigan, and perhaps others by this time. She noted the criteria for its use is more restrictive in Massachusetts and this particular product is the only one approved by the state.

In other business Selectmen:

ACCEPTED WITH REGRET the resignation of Barry Haskell as the town's Director of Recreation, effective in January 1988 or whenever a replacement is hired.

Mr. Haskell had addressed his resignation to the Mattapoisett Recreation Commission explaining he has taken a position with Campus Resources, Inc., a company that specializes in helping college athletic teams travel. He wrote that even though the position is part-time, the increased time constraints force him to leave Mattapoisett. He said he will remain as director until the vacancy has been filled. This

will enable an orderly transition to be effected and, more importantly, continuity within the programs will be maintained, he wrote.

The director added in his letter he would like to thank the Commission for all its help and support over the last eight years. "The programs that have been established are stable, well attended and provide a much needed service to the community. It has been a pleasure to work with you on behalf of the people of Mattapoisett."

On the same matter, a letter from Jeffrey Riley, Chairman of the Recreation Commission, noted it has accepted Barry Haskell's resignation with deep regret. The Commission will meet with Selectmen to provide details on the process and timetable for filling the vacancy. The goal of the Commission is to select a director who will maintain the quality programs that have been established. The Commission thanked Mr. Haskell for the fine job he has done during the last eight years, and that his leadership will be greatly missed.

WERE NOTIFIED that American Cablesystems Company will merge with Continental Cablevision, Inc., whereby American, at the parent company level, will be merged into and become a subsidiary of Continental. The merger is expected to be completed the first quarter of 1988.

The letter of notification from Steven B. Dodge, Chairman and Chief Executive Officer, and Barry D. Lemieun, President and Chief Operating Officer, explains the decision was not an easy one for them.

"We have worked hard to build and operate a high-quality company known for its excellence in cable systems management. We've done so by emphasizing customer service, taking care of our people and fulfilling our commitments. During the last year or so it has become apparent to us that American was at a crossroads. Company size was looming as an increasingly important factor to success in our industry. Our alternatives were to either grow substantially in size or combine American with a larger company better positioned to oper-

47 YEARS OF SUPER SERVICE

ate successfully in the long run.

"While there are a number of companies with whom we might have merged, we have chosen Continental for what we believe to be very sound reasons. Continental is an excellent company with a solid reputation for the strength and integrity of its management and the quality service it provides to the communities it serves. In its Fall 1986 'Salute to Excellence' issue, the widely read communications magazine Channels named Continental as 'the best cable system operator' in the United States."

The cablevision company letter further noted, "Despite the change of ownership, on the operating level, you can anticipate continuity of local system personnel with whom you are familiar. Likewise, all franchise and other commitments we have made to our customers and the community will continue to be fulfilled."

Marion Selectmen's Meeting

A Community Service of the League of Women Voters
OCTOBER 20, 1987-by EUNICE MANDUCA AND SUE BYRON

The Marion Selectmen met at 5:30 p.m. to conclude negotiations with the D.P.W. The new contract will be finalized in two weeks.

At 6:00 p.m. the Selectmen and members of the Sippican School Committee met and, after interviews with three very well qualified applicants, appointed Susan Andrews to fill the vacant position on the Sippican School Committee. Mrs. Andrews must stand for election in the next Town Election.

Dale Jones, Director of the Marion Emergency Medical Services, reported that the service now has 12 fully certified people of whom 3 are paramedics. Mr. Jones stated that night and weekend coverage is no problem but the service hopes to

recruit additional people who will be available during the day.

Harbormaster George Jennings and the Marine Resources Commission Director, Roger Walen, presented the Selectmen with figures showing the success of the collection of mooring fees. The total registered moorings in all locations number 1,170. Of these, 97.2 percent have paid their fees for a total of $47,955. Mr. Jennings has sent out 10 day warning notices to 33 delinquent mooring holders. Any mooring holders who have not paid their fees will not be issued a mooring permit next season. There are now 247 persons on the mooring waiting list. Because the present Harbormaster's boat gave such poor service this past season, the Harbormaster and M.R.C. have been working with the Finance Committee to discuss the possibility of replacing it next season. Selectman Richard Lagreze suggested the possibility of a donation of a suitable boat for the purpose. If offered it would certainly be accepted. Mr. Walen stated that oysters are being taken

issue standard 2 inch shellfish measuring rings with all permit renewals. The cost would be 80 cents each.

Charles Paulsen, Chairman of the Finance Committee, sees no way the Town can fulfill its obligations for fiscal year 1989 without an override vote. He anticipates two votes, one for capital improvements and one for the operational budget. Additional information is being gathered. Selectmen requested Mr. Paulsen's assistance in dealing with SEMASS financial arrangements.

Olive Harris reported for the Open Space, Land Bank Committee. Beach grass planting is scheduled for November 7th at 9:00 a.m. Thirty Girl Scouts and twenty Boy Scouts have volunteered for duty on that day with others from Tabor Academy and various adults. Her committee is working on a Home Rule Petition for acquisition of Landbank property.

Chairman Hoagland will be drafting a letter to all residents bringing them up to date on the water situation.

on the makeup of the bargaining unit which will deal with the Town through the A.F.S.M.E. Union. Nine people are eligible to vote and a simple majority will rule.

On a question about the audits, it was stated that the 1986 Audit is just about completed and the 1987 Audit is about to begin. The reason for the delay was given as the conversion to the new computer system.

BOARD OF HEALTH

Executive Secretary Ray Pickles and Chairman of the Board of Health Ted Pratt will work on new regulations for septic systems and repairs. Any additional costs to the Town for hiring a registered Sanitarian to do inspections will have to be funded by additional fees to the applicant. The new regulations will be given to all engineers working in town. It was agreed that the Board of Health should rely on an engineer to delineate wetlands. Any disagreement between the Conservation Commission and engineers should not involve the Selectmen as they have no expertise in either area. Drainage plans for a sub-division abutting Ichabod Lane will be reviewed next week.

Halloween Party and Parade

We have BALLOONS!

October 31st, at 6:30 p.m. prompt.

The parade route will be from Side Street Restuarant on Church Street to Water Street, Water Street to Barstow Street, back to Church Street to Center School.

Prize categories are as follows: Most Original, pre-school, first, second and third; Grades 1, 2 and 3, first, second and third; Grades 4, 5 and 6, first, second and third; Adults, first and second.

Adult prizes consist of brunch or dinner for two at local restaurants. Children's prizes consist of bicycles, scooters, tricycles, boom boxes.

There will be free candy and entertainment inside the school following the judging. Prizes are restricted to Mattapoisett residents only. Judges are Barbara Borsa, Marylou Manley and Thomas Brownell.

All participantants should attempt to be there at 6:15 p.m. in order to promptly start at 6:30.

Anyone wishing to make a donation may either drop off a check, made payable to the Mattapoisett Halloween Fund at the Police Station or place your donation in the Halloween cans distributed throughout the town.

Community Guild

The Women's Community Guild of the Mattapoisett Congregational Church will meet in Reynard Hall on Tuesday, November 3rd, at 2 p.m.

Our guest speaker, Reverend Lawrence Van Heerden, director of Inter-Church Council in New Bedford, has chosen "El Salvador" for his slide presentation.

Lynn Spark is greeter; Madeleine Furnans, worship leader; and June Cleveland is chairman of the refreshment committee.

Elves' Christmas Workshop

On November 14th from 10 a.m. to 3 p.m. in Reynard Hall of the Mattapoisett Congregational Church, the Women's Community Guild will hold its Christmas Fair.

A luncheon, with Helen Eldridge as chairman, will be seafood and chicken salad rolls, pickles, chips, homemade squares and a beverage for $3.00.

Chairman of tables are: Evelyn Jenks, gifts; Beverly Farwell, food; Peg Foster, knits; Olive Stickney, attic treasures; Marlene Crapo, S.E.R.V.; Madeleine Furnans, decorations.

Books and plants will be on sale and children's items by the Sunday School children.

Santa Claus will be in attendance

Her "Tales of the Harvest Moon" program will be enjoyed by adults and school-age children.

A well-known storyteller, Ms. Burch skillfully blends movement with words, presenting stories from literature, legend and lore. Her return appearance in Rochester is sure to be eagerly anticipated by those who saw her Christmas performance two years ago.

Please join us for an enjoyable hour of Halloween and other stories.

The program is sponsored by the Friends of the Library and funded by the Massachusetts Arts Lottery Council.

TGIF CLUB

TGIF continues Fridays after school, 3:00-4:00 p.m. School age children may register by phone (758-2213) or on the first Friday they attend. There will be a "BOOK BLAB" on October 30th, as well as the following films: THE GOLD BUG, based on a short story by Edgar Allen Poe. A young boy finds a gold bug while hunting butterflies on an uninhabited island. He wraps the gold bug in a discarded paper found on the beach. When he is captured by two men hunting treasure buried by Capt. Kidd, they discover the paper contains clues to the treasure. MISCHIEF, a small boy plays tricks on farm animals who finally decide to pay him back for all his mischief.

For further information please call or visit the Library at 7 Barstow Street (758-2113).

LIBRARY HOURS: Tuesday, 1 to 6; Wednesday, 12 to 8; Thursday, 1 to 6; Friday, 11 to 6; Saturday, 9 to noon; Sunday and Monday, CLOSED.

RTE. 6 & NORTH ST., MATTAPOISETT 758-6904

Marion Natural History Soc.

In a "get acquainted with our new telescope" program at the Marion Natural History Museum recently, Mr. Fred Hutchings and Mrs. Kate Jackson of Sippican School set up a meeting with Mr. Richard Langhoff of Mattapoisett, a very knowledgeable amateur astronomer. After spending a few minutes familiarizing himself with that particular model, Mr. Langhoff introduced some of Mr. Hutchings' students and their parents to the function of a telescope. Because it was a clear night it was decided to carry the telescope out to the Town Field, behind the Museum, for a "Sky Watch" program. Although the field is surrounded by lights and is not an ideal viewing location, most participants saw Jupiter and its 5, 6 or 7 moons and other assorted heavenly bodies.

Some who attended were not dressed to stand around an open field in a stiff breeze so had to leave early but will be well prepared for the next "Sky Watch"

program. There was even a ladder for the convenience of the little ones who could then reach the eye piece by themselves.

Those who attended were: Mrs. Marilyn East and her children, Kate and Jamie Hunter and neighbors Megan Boyd and Daniel Villeneuve, Carl Sittler and his daughter Thea, Mr. and Mrs. Fred Hutchings and their children, Sonja and Bruce, Alan Lynch and his sons, Colin and Zachary, Dick Viall and his son, Cal, Cam Warner, Brendan McSweeney, Mr. and Mrs. Bill Fricke and their children, Brett and Jill, and Mr. and Mrs. Richard Manduca. Mrs. Fricke is Secretary of the Natural History Society, a member of the Sippican School Committee and the liaison person for the School and Museum.

Mr. Langhoff's knowledge and enthusiasm made for a most instructive and enjoyable event for all, and it is hoped that he will be able to set up a series of programs for the Museum in the near future.

Board of Appeals Decisions

by VIRGINIA ARRAL

Five decisions have been announced by the Board of Appeals approved on October 19th. Three were granted; two were denied.

One of those granted was the application of Albert and Doris R. Winterbottom, Jr. of 31 Charity Stevens Lane, Fairhaven, by Robert F. Demers, for a Special Permit relating to property at 122 Fairhaven Road where Mr. Demers intends to conduct a locksmith business, including the making of keys, installation, repair and retail sales of locks, keys and related products; automobile alarm and lock business, and security business, including the conduct of a private detective agency. The Appeals Board noted Mr. Demers is a licensed private detective.

The property at 122 Fairhaven Road is located on the corner of Brandt

AT THE ROPEWALK

Island Road and for many years the property has been used for an antique business. The Board concluded the change of use and related construction changes for a commercial building will not be more detrimental to the character of the rural Residence 30 District and will be in harmony with the general purpose of the Zoning By-Law. Mr. Demers' approval contains the following conditions: installation of a sanitary sewer or septic system, construction of public water service and installation of bathroom facilities. Hours of operation will be 8 a.m. to 6 p.m. Monday through Saturday; signs shall comply with zoning provisions; and off-street parking spaces shall be provided.

The application of Muriel (Westgate) Emerson, 47 Water Street, by Robert Allen relating to property at that address for a Special Permit for construction of two additions to an existing one-family dwelling, an existing non-conforming structure was granted. It was noted the house and garage on the lot and the lot are lawfully non-conforming as they were in existence at the time of adoption of the Zoning By-Law.

The proposed addition on the north side of the house will be one-half for a bedroom that will be added on to the existing bedroom and one-half for a full bathroom and a walk-

in storage closet, thereby adding an 11 foot intrusion into the rear yard. The proposed addition to the south side will be an extension of the dining area with a three-sided bay window, thereby adding a six foot intrusion to the front yard.

The third application for a Special Permit that was approved was to Edwin F. and Catharine S. Hutchinson, 8 Justin Avenue, relating to construction changes on their property for an extension of an existing garage by three feet to the west and south, adding one open room over the garage to be used for storage, and an extension of an existing sunroom by four feet to the west and east.

The petition of Steven M. and Hollis J. Bowers, 6 Knollwood Drive, relating to that property for a Variance for construction of a combination shed/poolhouse and garage with storage/attic space above was denied. Reasons for the denial included the proposed structure and use substantially exceed the 450 square feet limitation contained in

the zoning by-law and the applicants could not provide evidence of hardship.

The application for a Special Permit by Joseph L. Battistelli, 4 Tallman Street for construction of a one-family dwelling and attached garage on land on the east side of Tallman Street was denied.

Mr. Battistelli sought to allow the three lots owned by him to be considered one separate independent lot from three other lots owned by him on which the applicant's house now exists. The denial was based on the fact the lot containing the Battistelli house would not meet the current side setback requirements; therefore, the Board cannot grant permission because it is not only the area and frontage that do not meet minimum requirements.

Halloween Safety Tips

CHIEF MORAN AND SAFETY OFFICER STAN ENNIS GIVE HALLOWEEN TIPS

Children in Mattapoisett will be trick or treating for Halloween, and Police Safety Officer Stan Ennis joins others in Massachusetts in reminding motorists to be on the alert.

Youngsters will be walking in the streets thinking about fun, not safety, said Safety Officer Stan Ennis. "This puts an added burden on drivers who need to be especially careful when driving in residential areas."

Safety Officer Ennis has some advice for parents to help make this Halloween safe for their children.

1. The most important thing is visibility. Make sure your children can see and be seen. If the children must be out at night, they should wear light colored costumes, preferably outlined in reflective tape.

2. A flashlight will not only

allow them to light their path, it will serve as a warning to oncoming motorists.

3. Face masks can reduce peripheral vision. An alternative is makeup.

4. If a face mask is necessary, make sure the children know to take off the mask before crossing the street.

5. Make sure a parent, older brother or sister, or guardian goes with the children when they trick or treat.

6. Be sure the children travel in groups rather than alone.

7. Plan the trick or treat route ahead of time. Pick streets that are well lighted.

8. Cross the street at corners, never from between cars.

9. If there is no sidewalk, walk facing traffic.

10. Wait until getting home to sort, check and eat treats.

Teamwork between parents, drivers and children can help make a safe Halloween, reminded Chief Moran and Safety Officer Ennis.

Early Childhood Development

PRE-SCHOOL ENROLLMENT OPPORTUNITY

This week, parents of four year old children living in the towns of Marion and Rochester will be receiving information on the school district's new early childhood classroom scheduled to open in February 1988. This model pre-school program is a part of Project GROW, the local early childhood project funded by a Chapter 188 state grant.

Enrollment is open to any Marion or Rochester child born between 9/1/82 and 1/1/84. Preference will be given to children who have no pre-school experience and special needs children.

The development of the pre-school program is a direct result of last year's Project BUD survey of area families with young children. A need for expanded pre-school opportunities, including programs able to accommodate special needs children, was documented.

The program will be located at the Sippican School and staffed by a certified teacher of young children with special needs and an aide. It will offer all children, including those with special needs, an excit-

ing, developmentally appropriate pre-school experience. Additionally, a home-based parent training program will offer families the opportunity to learn how best to help their child develop through home visits by the pre-school teacher.

Project GROW's classroom will operate mornings, Monday through Thursday. Transportation will be provided and the program is tuition free. Enrollment is limited to fifteen children. Any family not receiving this mailing may contact Project GROW's office at the Sippican School (748-0100) to obtain the information and application form. Preference will be given to applications received before Friday, November 6, 1987.

Beginning in January Project GROW will also be offering a number of educational programs for community members including programs for parents of newborns, programs for parents of pre-schoolers, programs for school-age families, programs for local early childhood professionals, and programs for students in Grades 5-8. All will revolve around early childhood issues. Again, these programs have been designed in direct response to last year's survey conducted through Project BUD. Information on these programs will be forthcoming.

Friends Academy

ACCEPTING APPLICATIONS FOR NEXT YEAR

Friends Academy, the oldest independent school in southeastern Massachusetts, announced the opening of its annual admissions process for the 1988-89 school year.

According to Director of Admissions Linda Kelsey, "We welcome inquiries from families interested in the Friends experience." The process involves five steps: a request for the information packet, a tour of the school, a completed application (due by February 20), a day-long visit including attending classes, and a final visit for testing. "It is a careful selection process for the student, the parents and the school. Proper placement is important to assure that the child will be successful and happy at Friends," the director said.

This year's enrollment has risen to a record 283 boys and girls from kindergarten through Grade 9 with approximately 15 students per class section. The curriculum for all students includes language arts,

Plymouth County Wildlands Trust

OPEN SPACE PRESERVATION:
OPTIONS FOR LANDOWNERS

"For the Common Good: Preserving Local Open Space", a program on options for landowners and communities, will be presented by the Plymouth County Wildlands Trust (PCWT) in the Little Auditorium of the Plymouth-Carver Intermediate School, Long Pond Road, Plymouth on Thursday, November 5th, at 7:30 p.m. The program is free and open to the public.

Massachusetts is the third most heavily populated state in the Union, and southeastern Massachusetts is the fastest growing region of the state. How, then, can local towns protect some of their vanishing heritage of natural areas and open land? How can landowners afford to keep any land undeveloped in light of increased property valuations, higher tax bills and demand for buildable land? There are no easy answers but a number of

useful options will be addressed at this meeting. For more information call 224-2765 or 826-5050.

The evening will include a brief introduction of PCWT, with slides of its Plymouth preserves. A discussion of the many benefits that open space brings to a town will be followed by a look at how landowners can benefit from giving land or conservation restrictions to a charitable group like PCWT. Tax relief and the 1986 tax reform act will be considered, as will possibilities for cooperation between public agencies and private organizations. A question and answer period will be followed by refreshments. Among those participating will be PCWT's President and Legal Counsel, William S. Abbott; LeBaron R. Briggs, Secretary of PCWT and long-time Plymouth resident; Joel Lerner, Director of the Division of Conservation Services for the Commonwealth of Massachusetts; and Professor Reed F. Stewart of Bridgewater State College.

PCWT is sponsoring this public meeting because it believes that substantial amounts of conservation land must be preserved if the quality of life and character of the landscape are to survive as the region grows. PCWT is a non-profit land trust. It owns over 1,000 acres of open space in 8 towns in Barnstable and Plymouth Counties. Membership inquiries are welcome. Write PCWT, 898 State Road, Plymouth, MA. 02360; or call 224-2765 or 826-5050.

LEGAL ADVERTISEMENTS

TOWN OF MATTAPOISETT, MASSACHUSETTS
NOTICE MATTAPOISETT RESIDENTS

Water main flushing will be conducted October 26 through November 6, 1987. Flushing will begin October 26 at 8:00 p.m. until midnight. Flushing will be continued October 27th to November 6th during the daylight hours from 9:00 a.m. and 4:30 p.m. Discolored or red water may be expected. Areas most likely to be affected are those south of Route 6 extending from Main Street east to Aucoot Road, to include Crescent Beach, Point Connett, Hollywoods and Peases Point.

TOWN OF ROCHESTER, MASSACHUSETTS
NOTICE

Notice is hereby given that the Board of Health will conduct a Public Hearing to discuss the moratorium which will take effect as of October 5th, 1987 concerning Residential and Commercial Haulers' Permits issued by the Board of Health. Hearing will be held Wednesday, November 4, 1987 at 7:30 P.M. in the Town Hall Conference Room.

BOARD OF HEALTH
Kirby S. Gilmore, Chairman
Robert A. Healy
Benjamin A. Gilmore, II

October 21, 28, 1987

TOWN OF MATTAPOISETT, MASSACHUSETTS
PUBLIC NOTICE

A public hearing will be held on Tuesday, November 10, 1987 at 7:00 P.M. in the Selectmen's Office, Town Hall upon the petition of the New England Telephone for a proposed conduit location on North Street, Mattapoisett, MA. Said conduit beginning at a cross-connect box location and running in a northeasterly direction thence northwesterly in the sidewalk area to utility pole #33A/231 and southwesterly in the sidewalk area to utility pole #33A/1. An illustration map and further information can be obtained from the Selectmen's Office.

BOARD OF SELECTMEN
John N. DeCosta
Frank M. Suzan
William F. Hubbard, Sr.

October 28, 1987

LEGAL ADVERTISEMENTS

TOWN OF ROCHESTER, MASSACHUSETTS
INVITATION TO BID

The Board of Selectmen will accept sealed bids on the delivery of #2 Fuel Oil only. Bids will be opened and read publicly at 7:00 P.M. on November 2, 1987. Specifications may be obtained from the Selectmen's Office. The Board of Selectmen reserves the right to reject any and all bids.

TOWN OF MATTAPOISETT, MASSACHUSETTS
NOTICE

Mattapoisett Conservation Commission will hold a public hearing on Tuesday, November 3, 1987 at 7:30 P.M. in the Town Hall on the Notice of Intent submitted by the Town of Mattapoisett of Main Street, Mattapoisett, MA. 02739. The proposed project involves the reconstruction of a portion of Brandt Island Road for a total length of approximately 1750 feet. The project starts approximately 500 feet northerly of the intersection of Brandt Island Road and David Street and proceeds southerly to the intersection of Dupont Drive. The work involves filling and grading, rip rap reconstruction and expension and finally paving.

Conservation Commission
Kenneth Dawicki, Chairman

October 28, 1987

TOWN OF MATTAPOISETT, MASSACHUSETTS
NOTICE

Mattapoisett Conservation Commission will hold a public hearing on Tuesday, November 3, 1987 at 7:45 p.m. in the Town Hall on the Notice of Intent submitted by Reusch & Sons, Inc. of 6 Gary Drive, Mattapoisett, MA. 02739. The proposed project is to construct a single family dwelling with attached garage, drive, to fill, install a water service and a subsurface sewage disposal system and other appurtenant facilities. The lot is located at the corner of Laura and Bethany Lanes and is further identified as lot #11S on Mattapoisett Assessors' Plat #20.

Conservation Commission
Kenneth Dawicki, Chairman

Assertiveness Workshop

A workshop on assertiveness, called "Taking Charge", will be held at St. Luke's Hospital of New Bedford on Thursday, November 5th, and November 12th, from 12 noon to 3:00.

The program is designed to distinguish the differences in assertive, aggressive and passive behaviors and focuses on how to replace ineffective behavior. The special problems of nursing will also be addressed.

Instructor for the program is Myra Abelson, a lecturer and consultant to the Katharine Gibbs School, who is recognized as a leader of management development workshops in motivation, delegation and team building. Ms. Abelson is a member of the American Society for Training and Development.

Anyone wishing to register should call St. Luke's Continuing Education Department at 997-1515, extension 2540. Registration fee is $30. for St. Luke's employees, and $35. for others.

From I.R.S.

Between October 20 and the end of October over 10 million New England taxpayers will receive informational brochures from the Internal Revenue Service telling them why they should start thinking about their taxes earlier than ever before.

The brochure is part of an IRS information campaign to help taxpayers learn about the tax law changes brought about by the Tax Reform Act of 1986 and to help them start planning now to be able to file an accurate tax return as early as possible next filing season.

For more information on the Tax Reform Act of 1986 taxpayers can call the Tele-Tax number of 1-800-554-4477 and listen to topic 315, "Highlights of 1986 Tax Changes", and tape 326, "Highlights of the Tax Reform Act".

Other toll-free numbers are: Information, 1-800-424-1040; Forms, 1-800-424-3676.

Green Briar

AN OLD-FASHIONED THANKSGIVING

The Green Briar Nature Center & Jam Kitchen in East Sandwich celebrates its traditional Thanksgiving Open House on Saturday, November 7th, from 10 a.m. to 4 p.m., and on Sunday, November 8th, from 1 to 4 p.m. The public is invited to share in Green Briar's holiday preparations ... as they were in great-grandmother's day.

Enjoy the sights, sounds and aromas of an old-fashioned Thanksgiving. Sample mincemeat, cranberry, turkey, pumpkin breads and hot mull cider as you tour through the turn-of-the-century kitchen. See special exhibits and craft demonstrations in the nature center. Admission is free with a donation requested for the sampling of foods at $1. per person, 50¢ for children 10 and under.

This weekend also marks the opening of an exhibit by artist Mary Bowmar Richmond of Hyannis. "Green Briar on Tile" features handmade, hand-painted tile panels depicting birds and flowers found around the nature center. The artist will be available on Saturday afternoon from 2 to 4 p.m. to autograph her new 1987 "Song Bird" tile made ex-

FULLY INSURED

clusively for the Burgess Society. This lovely tile features the bluebird and may be purchased or ordered as supplies last.

On Sunday afternoon, harpist Andrea McCarthy of Osterville adds to the warm holiday mood, evident from the moment the visitor enters to take a step back in time.

Browse through the Green Briar shop with its homemade jams, jellies and preserves made right here on Cape Cod in the jam kitchen, which has been in continuous operation since 1903. All proceeds from shop sales help to support the educational programs of the Thornton W. Burgess Society.

Green Briar is located on Discovery Hill Road, just off Route 6A in East Sandwich. Hours through December are 10 to 4 daily, 1 to 4 Sundays.

Lloyd Center

COASTAL BIRDS TOPIC OF UPCOMING WALK

"Coastal Birds of Dartmouth and Westport" is the topic of an upcoming walk at the Lloyd Center for Environmental Studies. This walk will meet at the Lloyd Center and continue on to selected birding hot spots in the area. Join us on Sun-

day, November 1st, from 9 to 11 p.m. for what promises to be a spectacular look at the waterfowl which are wintering in our area. We will be looking for bay and sea ducks, loons and grebes.

"Coastal Birds of Dartmouth and Weatport" is a free interpretive program, which is part of the Lloyd Center's ongoing weekly walk program. Please call the center to pre-register, 990-0505.

SLIDE LECTURE ON PLANT SPECIES

On Tuesday, November 3rd, at 7:30 p.m. in Dartmouth High School Auditorium, Richard LeBlond will present a slide-illustrated lecture on regionally endemic and globally restricted plant species in the fourth lecture of the Lloyd Center Lecture Series. Mr. LeBlond is a Research Associate at the Center for Coastal Studies in Provincetown and has been conducting rare plant surveys in southeastern Massachusetts since 1979. The topic of this fall's Lloyd Center Lecture Series is On the Brink: Threatened and Endangered Species of Massachusetts.

Tickets can be purchased at the door; $3. for Lloyd Center members and $4. for non-members. For more

Old Colony

SCHOOL IMPROVEMENT COUNCIL

With the approval of the District School Committee, the School Improvement Council at Old Colony Regional Vocational Technical High School has established its recommendations for the expenditure of School Improvement Council funds as allowed under Chapter 188, the Massachusetts Educational Reform Bill. The Council, comprised of teachers, parents, students, and community representatives, has been meeting during the past two months to review proposals to improve the educational opportunities at Old Colony.

The Council attempted to combine various funding sources to maximize the impact of the Council's funds. The Council added $300.00 to a $700.00 gift from the class of 1987 to purchase a self-contained Camcorder outfit to be used in various educational school activities. The council combined $600.00 with a

Chapter 1 Grant and local funds to recommend the purchase of a 45 inch Projection television. The Council also established a fund to provide field trips. Priority will be given to field trips which increase student exposure to the Arts and Humanities. In addition, money has been allocated for school assemblies with a similar priority.

The Old Colony National Honor Society and the Student Council will also receive financial support to assist its members' attendance at Regional and State conferences and workshops. The Council also allocated $1000.00 toward the production of a video tape which will be used during the eighth grade admissions process, at Open House activities, and with community groups.

Mattapoisett resident John Malcolm is a parent representative on the Council as is Rochester resident Yvette Medeiros.

COSMETOLOGY SERVICES

Senior citizens from the area may take advantage of hairdressing and related beauty services at Old Colony Regional Vocational Technical High School. The Cosmetology Department welcomes appointments daily from 8:00 a.m. to 12:00 noon. Inquiries and appointments can be made by calling 763-8011, Ext. 37.

In addition, Seniors are welcome to dine in Old Colony's Cougar's Den Restaurant which is open from 11:00 to 12:30. The restaurant is operated by the school's Culinary Arts Department. Reservations may be made by calling 763-8011, Ext. 21.

cational Technical High School on Friday, November 6th, from 7:00 to 9:00 p.m. in the School Cafetorium.

This year's Penny Sale is being co-sponsored by the Student Council and VICA (Vocational Industrial Clubs of America). Proceeds from the event will allow Old Colony students to attend local, regional, and state competitions and conference to be held during the school year. The public is cordially invited to attend the Penny Sale.

TEACHER RECEIVES RECOGNITION

Recently Old Colony faculty member Casimiro Santos received a certificate of recognition from the Institute for Learning and Teaching at the University of Massachusetts.

The certificate was presented by John Roper, coordinator of the Principles of Technology Leadership Project and was in recognition of his work this past summer with the Project. Mr. Santos joins a select group of Massachusetts educators who are prepared to implement the Principles of Technology curriculum.

COURSE FOR ELECTRICIANS

As a community service, Old Colony Regional Vocational Technical High School will offer to area electricians a continuing education course in November. The 15-clock hour course will review the current Massachusetts Electrical Code. The course is mandatory for licensed electricians. The course will begin Monday, November 2nd, and will run three hours per night for five consecutive Mondays. Pre-registration is required and enrollment is on a first come, first

Interested licensed electricians may pre-register by calling Marcus Ashley at Old Colony (763-8011, Ext. 31). A copy of the current Mass. Electrical Code is required. The cost of the course is $30.00.

Coming to The Zeiterion

SATURDAY YOUTH THEATRE FESTIVAL

The Zeiterion Theatre's Saturday Youth Theatre Festival will open with "THE WIZARD OF OZ", presented by The Gingerbread Players & Jack on Saturday, October 31st, at 10:30 a.m. and 12:30 p.m. The 1987-88 Saturday Youth Theatre Festival is sponsored by Fairhaven Savings Bank. General admission tickets are priced at $4.00 each. For more information on tickets, group packages and season subscriptions call the Zeiterion Box Office at 994-2900.

"The Wizard of Oz", one of the most popular children's stories in America, will be brought to life in this lively musical adaptation by The Gingerbread Players & Jack. The familiar tale of Dorothy, Scarecrow, the Tinman and the Lion following the Yellow Brick Road to meet the Wizard in the Emerald City, will be enhanced with some new surprises promising to leave the audience riveted to their seats.

The Gingerbread Players & Jack, who have appeared as the Zeiterion numerous times, recently presented "The Real Stories of Little Red Riding Hood and The Three Little Pigs" at the Zeiterion this past summer. The company will also be presenting "The Adventures of Peter

HAL HOLBROOK PERFORMANCE POSTPONED

The Zeiterion Theatre has announced that the performance of Hal Holbrook in his one-man show, "Mark Twain Tonight!", originally scheduled for Saturday, November 7th, has been postponed to Tuesday, April 12th, at 8:00 p.m.

The postponement was made as Mr. Holbrook will be involved in a new motion picture that will be filming at the time he was to appear in New Bedford. The new date was arrived at through negotiations by Zeiterion officials and Mr. Holbrook's management.

Individuals already having purchased tickets for the November date may use them on April 12th. The same seat locations will be honored. If unable to attend on the new date, present ticket holders may request a credit or refund. To do so, they must return their tickets by January 1, 1988, to the original point of purchase (Zeiterion Box Office or

PRE-SCHOOL PROGRAMS

The Greater New Bedford YMCA pre-school gym and movement education programs begin the week of November 2nd. From six months through five years, pre-schoolers in the YMCA's pre-school movement education program explore different movement skills through the guided discovery with a trained instructor. The program is progressive in design, allowing the young child to learn through exploring at his or her own pace, according to their abilities. We also encourage parental involvement, as this is a time when bonding and trust are extremely important in a child's life. All pre-school movement education programs are held in conjunction with appropriate level aquatic classes that can be taken just before or after a gym class.

Fall programs offered include different classes. Gym Jams for six months to walking, walking to 24 months, and 24-36 months, as well as classes for three through

five year olds.

Due to the popularity of our pre-school movement education classes for pre-schoolers 6 months through five years, the YMCA has added additional classes on Saturday morning for the working parent. Our Gym Jams, Mighty Mites and Kinder Gym will all be offered in coordination with appropriate level aquatic classes that can be taken before or after a gym class. Programs with a social and creative slant will be offered on Thursday mornings in coordination with aquatic classes. Munchkin Cooking is a program for pre-schoolers ages 3-5 years, exploring simple cooking projects

such as pretzels and soup while learning basic nutrition and kitchen safety. Stories, songs and crafts introduces pre-schoolers to music, rhythm, crafts and storytelling, with the emphasis on exploring each child's creativity.

For more information and registration call the YMCA at 997-0734.

EXERCISE CLASS FOR SENIOR CITIZENS

The Greater New Bedford YMCA is currently running an exercise class for Senior Citizens, called Seniors on the Move, held every Tuesday and Thursday morning from 10:00-11:00 a.m. at the Greater New Bedford YMCA.

Physical activity offers tremendous benefits to older people because it counteracts the aging process and associated helplessness.

Most of us take for granted the strength and endurance of our muscles and body. We cannot ever imagine what it would be like not to be able to carry a bag of groceries or perform our day to day tasks. We gain strength naturally through maturation until about 25 years of age. We lose this strength as we age, especially if exercise is not part of our lifestyle.

A well designed program can lead to improvement in many components fitness; increased muscular strength, increased flexibility, increased

A Ski Designed For Women Should Be Anything But Ladylike.

K2 worked with a top woman kinesiologist and a team of the best woman skiers in the U.S. to create a true woman's ski.

The K2 LTP is the result. It's engineered specifically for women with the best materials available—Kevlar, sintered base, fiberglass and Durafoam core.

It's very flexible. Easy to control. Just a simple weight shift and you turn quickly and precisely.

It's softer in flex which means you'll be able to handle most any snow condition and most any terrain. The LTP also features a narrow sidecut and a balanced flex giving you the best edge control, ever.

The K2 LTP. Now there's a ski designed for women that's good enough to call your own.

America's Top Performers
